## Cyclist's Touring Club

### Who we are ...

...a non-competitive cycling club with rides of varying lengths and duration. We emphasise reasonable pace and sociability and our rides are always set to the pace of the slowest rider. Nobody will be left behind, and we take time out to look at the scenery and have café breaks. Our rides list is overleaf but if want more information, please feel free to contact us.

### Our rides ...

Every Sunday we run easy paced rides on quiet lanes with a stop for lunch, either picnic, or café stop. Any roadworthy bike is OK for our rides (e-bikes welcome), but please bring a spare inner tube and a waterproof jacket. You'll experience social riding with a friendly group who can also advise on choice of appropriate cycles, equipment and clothing.

### Regular Weekly Rides

Sunday Short Rides of approximately 40/45 miles  
Sunday Medium/Long Rides of 50 miles plus

See the rides list on the reverse for full details.

We also arrange weekends away, and social activities throughout the year such as quiz nights, slide shows, bowling nights etc.

### What do recent new members say ? ...

Pete says "When I started cycling I would do 6 miles on my own and would look like Ribena Man when I got back. I quit smoking and had put on a lot of weight so I decided to give club cycling a try. I joined about 15 months ago and now I regularly cycle 40 miles chatting to other riders. I'm in my 50's and discovered roads and routes I wouldn't find on my own, which are generally quiet and in lovely countryside. I also enjoy the café stops!"

Margaret says "The club is more about having a good time and enjoying the wonderful countryside rather than riding hard or being the fastest over sections. I always look forward to my Sundays. It's a great group of people. There's no need to worry about what to do if you get a mechanical issue, what clothing to wear (Lycra not compulsory!), or what kind of bike you have as long as it's roadworthy – just come along and give it a try."

Please note that ride times occasionally vary due to unforeseen weather conditions and ride leader availability. Please check our website for any last minute changes/cancellations.
